

# ProVue Deluxe LED Magnifying Lamp

## Efficient and Powerful

5 Inch/ 5 Diopter Lens  
2.25x Magnification

72 Energy-Efficient LED Lights

Heavy-Duty Mounting Clamp

The innovative ProVue Deluxe LED Magnifying lamp from Aven is the new standard in inspection lighting. This durable aluminum design features a 5 inch, 5 diopter glass lens for crystal clear, distortion-free viewing. Featuring 72 energy-efficient LED lights for shadow-free illumination.

The 36" adjustable friction arm provides a large working range. Simply set your lamp position and lock it in. No springs, no exposed wires and no pinching hazards. The lamp head rotates in any direction to suit your inspection needs, and the convenient built-in dimmer allows you to control the lamp brightness.
