

CABLE-40-40-10CM

**CABLE WITH 0.05" STEP 40 PIN CONNECTORS**

Ribbon cable with two 40-pin 0.05" step connectors and length 10 cm. Suitable for the LIME boards (A10-OLinuXino-LIME, A20-OLinuXino-LIME, etc).

IMPORTANT: the cable and the connectors are very fragile - if you attempt to disconnect the setup by pulling the cable it might break! Furthermore - you might bend the pins! Use pliers or other suitable object to disconnect the connectors carefully!
